Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>This proposal is for building on land which is currently green field and has been fully utilised for the growing of successful crops at a time when it is increasingly necessary for us to supply our own crops to avoid the need for more imports. Helen Alison School is an SEN school where there is a need for a calm atmosphere at all times and any disruption could have serious consequences. Longfield Road is narrow and most houses have no garages so on road parking creates traffic problems at busy times of day. The local infrastructure is not in place to support more properties - NHS and GP services are already overstretched, the roads in this area were never built to take more traffic and water is more frequently becoming in short supply. I therefore trust this application will be rejected</p>
