Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed building will adversely affect the designated footpaths between Gold Street and Meopham owing to the size of it and the movement of many vehicles which could become a danger to walkers. The entrance on to Gold Street, a very narrow road, would be hazardous for any members of the public travelling on that road be it motor, cycle or foot. I strongly object.

Kind regards
