

Drawing Measurements and Information
Drawing measurements shall not be obtained by scaling, with exemption being for planning application drawings only. All dimensions to be verified prior to construction. Immediately report any discrepancies on this document to the Architect. If in doubt ASK. This drawing is to be read in conjunction with associated models, specifications and related consultant's documents where relevant.

For information relating to Use, Cleaning and Maintenance, please refer to the Health & Safety File. It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement.

Notes:

1. All dimensions are in millimeters (mm) unless otherwise stated.
2. Contractors must check all dimensions on site, working from stated dimensions only, any discrepancies are to be reported to the Architect before work is undertaken.

Scale 1:100
