Application Reference: 20260207		Case Officer: Mrs Katherine Parkin	
Location:	Land at Norwood Lane, Meopham		
Proposal:	Outline planning application for up to 725 dwellings (Use Class C3), a new two-form entry primary school (Use Class F1)		
I am:	Member of the Public (Age 18 or above) ☐	Other: Resident of Norwood Lane	
My Title & Full Name:		[REDACTED]	
My address & postcode:	[REDACTED] Norwood Lane, Meopham. DA13 0YE		

I have the following comments on planning application number 20260207 :

1. This development has been designed to be built on Green Belt land!
2. Broxton field sites SHOULD be considered first every time proposals are submitted.
3. The closure of the southern end of Norwood Lane is completely irrational and totally without SAFETY CONSIDERATION. This would result in 275 existing houses PLUS the Industrial Units off EDIVA without an alternative exit should the northern end of Norwood Lane onto the A227 be closed because of an accident or road works which is a common occurrence!

I have the following comments on planning application number 20260207 continued:

4. Road network is already under huge stress. Because of extra traffic Meopham could at peak times etc come to a standstill.
5. G P Surgeries overstretched and cannot accept anymore patients. Ditto with D. V. Hospital.
6. Increase in car travel - very limited bus service.
9. The proposed site is Agricultural!
10. Huge impact on wildlife eg. Foxes, Hedgehogs, Nesting Larks, Robins, Great Tits, Green and Spotted Woodpeckers, Black Caps to name just a few.
