I have the following comments on planning application number 20260207 :
If this site is allowed to go ahead it will go against all the people who have tried to preserve greenbelt and arable land for future generations. We would lose the unique villages and natural habitats. And will be unable to sustain all the extra capacity the site would require ie extra traffic, GP services and more local amenities.
Also cause more havoc with the parking at school times. Green Lane is not ment for the amount of traffic it has at the moment, and this will only get worse when the Lower Thames Tunnel opens, this will become a rat run for traffic to get to Shore.
