I have the following comments on planning application number 20260207 :

APART FROM damage to and loss of GREEN BELT
the infrastructure of local area is not
viably accessible. Busses local transport to
shops etc. The current road access would
not be able to support an estimated 750 vehicles
at peak times remember this is a country lane area
As I understand current water supplies would
also be put at risk along with the sewage system
The local area would not be able to support
an extra 750 FAMILIES :- 2000 plus people
NO INDUSTRY NO LOCAL WORK
Gravesend & Medway are no go's.
Hospitals & Dentists too small and over stressed

now.
