I have the following comments on planning application number 20260207:
with all due respect to the Planning Dept of Gravesend, Gravesham, I do understand that we require additional housing, however please bear in mind that this development will cause so much disruption & inconvenience to the local community. Wrotham Road, is so busy so is Camer Park Rd.
secondly it is so difficult to get a surgery appointment in Meopham & Istead Rise, this additional influx of public will not be spared.
either a majority of people living in Hook Green & Meopham area are aged (above 70+ years).
Parking around shopping outlets & mainly schools is such a headache, one has to leave home

I have the following comments on planning application number 20260207 continued:

early to see me. I am a family member of the family who moved to Meopham 42 years ago because I was fed up of City life, pollution, noise & congestion. Meopham has character & is a lovely village, but this new Housing will ruin the village atmosphere. If you wish to build then please reduce the number of dwellings. Alorwood Lane is very narrow.
