I have the following comments on planning application number 20260207 :

As a resident of Meopham since [REDACTED]
the majority of the time on Norwood Lane,
I have strong objections to the proposed
development

The land is Greenbelt, and has been
productive agricultural land for many
years. There are usually two crops a year.

In addition, it is a valuable habitat
for many bees, bats, birds and invertebrates.
It has served as a distinct gap between
Meopham and the quite separate village of
Sole Street.

Our infrastructure is severely stretched
already. There are regular floods which damage

the already poor road surfaces. Hosepipe leaks are frequent. Our doctor's surgery is full to capacity and Darane Valley Hospital is under pressure already.

Increased traffic will add to the congestion which already happens on the A227, and increase air pollution.

There are many brown field sites which should be developed first.
