I have the following comments on planning application number 20260207 :

GP Surgery already full list; similarly schools

A227 is already heavily used and subject to traffic problems

Shops on Meopham Parade - hard to park already.

Canter Road and Norwood Lane are not capable of handling extra traffic

The trains are full and the stations small: ^{Sole Street} + Meopham

The number of houses will overload the ecosystem and nature.

Green Belt policy is broken by this plan.

~~Sole Street and Hook Green may merge~~

Carbon emissions will increase

There will be a loss of habitat for wildlife.

Addition of so many households will strain all aspects
of the areas infrastructure

Sole Street and Meopham may merge - not wanted.

Signed:
