I have the following comments on planning application number 20260207: objection

How can it be right to dig up agricultural land when there are 5 derelict sites in the Gravesend area? To allow these homes to take place will increase the traffic problems as in all probability most properties would have 2-3 cars, plus 1,500 children would need school places and extra pressure on GP surgery. It would create urban sprawl joining Sole Street and Hook Green. It would be destroying wildlife and woodland. At present the traffic through the village is often slow and it would also mean widening of Norwood Lane affecting people's properties.
