I have the following comments on planning application number 20260207 :

There is no need 725 homes in Meopham, it will increase urban sprawl and hook green and sole street will be forced to merge and lose their identity as villages in their own right. No legitimate reason to remove the green belt. The land is Grade 2 Agricultural land (Arable -). Food Supply and the loss of farming is critical. There is no infrastructure in place, roads, railway, Dis, Shops, Dentists. Utilities such as water cannot deliver. Flood Migration - this is a massive problem for Norwood Lane and Wrotham Road.

I have the following comments on planning application number 20260207 continued:

Driving will be a nightmare with the potential of 1,450 extra cars. Pollution, Construction, Car, light and noise will impact on Air quality.

The Country is being depleted in respect of our wildlife, habitats and fauna. This needs to be protected.
