I have the following comments on planning application number 20260207 :

It is incredibly important to keep to keep
Greenbelt and agricultural land for the sake
of the future of the planet and all wild life.
You may be under pressure to have to provide
more housing but in all this greenbelt land must
be kept, as it was seen fit to originally designate.

The idea of Meopham and Sole Street Villages
being joined by such a large development is shattering
to the nature of the area.

How many more cars and traffic will be on the roads?

750 houses — how many people is that, how many
cars, where do they go for a Doctor, where do they
go for a school?

Along with this application I understand
that ^{there} are also 2 nearby applications also
involved, which will have such an impact and
change the whole landscape of the area.
Once it is taken for housing the land is
never returned or restored to country.
Yes I object most strongly to this planning
application.
