I have the following comments on planning application number 20260207 :

This is a busy village and the schools are full and
The DOCTOR has already said that they cannot
register more residents in this village.

~~At this time~~ If this goes ahead the development will cause urban sprawl
and the loss of Hook Green & Sole St, who will be
FORCED to merge.

725 extra houses will increase the population — how
can we absorb all these people !!

There are no jobs in the village, the shops, are overrun
and there is no parking at the shops now !

There is NO NEED for extra 725 houses in this
area.
