I have the following comments on planning application number 20260207 :

I vehemently object to this development. It will very adversely affect infrastructure that is already under severe strain, including hospital admissions and waiting times, GP surgery and dentistry appointments and waiting times, school places, care home places, pubs and clubs parking, libraries, traffic flow will increase greatly from 1000+ extra cars, causing extreme parking problems (already at 100% capacity at Camper Parade).

Building on the Green Belt is a complete betrayal of the purpose of the Green Belt. Other infrastructure that will be very

^{can't} badly impacted will be electricity, gas and water supply, and sewage facilities will be under immense strain, as well as the inability to cope with surface water where land is concreted over.

The increased number of vehicles visiting the 725 dwellings will cause a huge number of blockages because many of them will not be passable by through traffic.

The construction of 725 dwellings will take 2 plus years, with immense disruption to the whole area, with hundreds of lorries and builder's vehicles causing mayhem in an already busy area, for a long time.
