Application Reference: 20260207		Case Officer: Mrs Katherine Parkin	
Location:	Land at Norwood Lane, Meopham 20		
Proposal:	Outline planning application for up to 725 dwellings (Use Class C3), a new two-form entry primary school (Use Class F1)		
I am:	Member of the Public (Age 18 or above) ☒	Other:	
My Title & Full Name:		[REDACTED]	
My address & postcode:	[REDACTED] Edmund Close Meopham DA13 0NB		

I have the following comments on planning application number 20260207 :

I strongly object to the planning application for 725 Dwellings Near Norwood Lane Meopham. If this development goes ahead the traffic which is bad at present will increase three fold, the extra cars it will bring could be at least 1450 with the addition of extra local drivers vehicles. This will cause major congestion, pollution, Road damage and emergencies to Norwood Lane could be impeded. It will have an affect on all of the surrounding areas. Parking is a major problem at present, we don't have the capacity for an extra 1450 cars. GUR GP Surgery is already full, it can't take these extra people, it also hasn't the room for the extra doctors needed to treat ~~any~~^{the} extra people. This development will affect all of the people in the area.

I have the following comments on planning application number 20260207 continued:

greatly " Cumulative effect of developments in the area should be considered.

School, Nurseries and Care homes are already finding it difficult to accommodate the people living here. No extra room for the 2000 this development plans to accommodate.

The development will also cause more flooding and a high risk of affecting the sewage system.

It will destroy the beauty of the area and the character of the villages, affecting the wildlife, their flight paths, destroying hunting grounds for mammals and habitats. This is a betrayal of the Greenbelt.

I can't see any plus for this development.

Another affect the developer will merge 2 Villages

Mooplam, Hook Green + Sole Street, destroying 2 more villages.
