Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Are they also putting in a variation as the building is bigger than the plans show, the back wall is not in line with the first floor back walls of the neighbouring properties, this is not as shown on the approved plans. There are so many deviations from the proposed plans that the building needs to be rebuilt as per approved plans. What is the point of a planning process?

Kind regards
