Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this loss of rural land and very, very narrow lanes which will be greatly affected by heavy traffic. This will also have a terrible effect on the local population many of whom have been in residence for most of their lives. The air quality will decline and this will have a vast effect on the local wildlife in the area including badgers and foxes and the local bird population. In addition the area has lots of walkers and horse riders who will be put a greater risk by the increased traffic.

Kind regards
