Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this as there are many barbers in the area, the parking is nonexistent, my sister who lives in this road is constantly complaining about the traffic and the lack of parking plus no body walks to shops and businesses anymore people drive everywhere. The galley hill London road is still not accessible at the moment so my sister is has said that the traffic is terrible especially when there is a accident on the A2

Kind regards
