Reasons for comment:	
Comments:	This small, historic village is NOT the place for 100 more properties. That's the potential to add 100+ cars to the traffic every day, speeding along outside my house despite the 30 limit. More noise, more pollution, destruction of wildlife and greenery. This is not central London where every postage stamp of land is up for grabs. Let the countryside be the countryside for goodness sake!

Kind regards
