As agreed at the Kent Planning Officers Group Development Management Forum on the 16 March 2018, I am requesting that you let us know **within 7 days of the date of this letter** if you wish to comment on the above detail(s). A holding response (either automatically generated, or a standard acknowledgement email or an email confirming that the submission is being checked for validity) is not sufficient to let us know that your authority wish to make comments. If you do wish to comment, please let us know within 7 days of the date of this letter and we will agree a timescale with you by which we will need to receive any comments you wish to make.

As part of the Council's commitment to equalities if you have any concerns or issues with regard to access to this information please contact us for assistance.

If I do not receive a response within 7 days of the date of this letter, I will proceed to discharge the relevant condition(s) as soon as I am in a position to do so.

Under the terms of the planning permission, a full planning application is not required to be submitted, and therefore this request does not need to be allocated an application reference number. I shall be using the reference GR/20/156/R14 & 17 in correspondence regarding this matter.

Yours faithfully
