Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	The proposed development is within the boundary of the curtilage of the dwellinghouse and in keeping with other such houses in close proximity (i.e pear tree lane and bowesden lane). In addition, the outbuildings are incidental to the main dwellinghouse and considerate to the surrounding area. Enjoyment and use of your personal garden with a gym and summerhouse is entirely inkeeping with the area and for a modern family home. There have been considerable plans submitted which are thoughtful and appreciating the soft landscaping of the area.

Kind regards
