Reasons for comment:	
Comments:	How can our small community sustain another 134 people (min) with doctors and schools already over stretched not to mention another 134 cars on an already busy wrotham road and with the entrance in Newlands lane a very small tight lane it could cause major problems I can't believe the woodlands farm estate is not protected in any way This is the demolition of another land mark and for what purpose, to put more strain on an already fragile system

Kind regards
