| Comments:            | This was already vehemently opposed by all local residents, and the councilors already completely ignored what they all said, now the developer wants to increase the size and obviously profits by making all dwellings even bigger in terms of additional bedrooms. This will bring additional noise pollution, light pollution, air pollution and traffic. It doesnt matter what the intentions are with more bedrooms as this ultimately means more people! Another drain on Graveshams overloaded resources and traffic galore on Old Road East. Its already a nightmare to get our of our road and around echo square - it will just be even worse as people will not walk and will have more and more cars over time as the kids get older - FACT. |

Kind regards
