Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I feel that any land that is green belt shouldn't be built on when there are other brown field sites available also local infrastructure is not in place no regular bus services and the roads around here are already at capacity. When trying to get a doctors appointment now we are regularly sent out to other surgeries and can rarely get an appointment at the istead rise surgery

Kind regards
