Reasons for comment:	
Comments:	I do not have any objections to the proposed demolition of existing outbuilding, erection of single storey front/side/rear extension for 249 Valley Drive, Gravesend. I would however like to make it clear that the access alley that runs to the rear of my property and the rear of the planning application property, 249 Valley Drive, is kept clear for access to my double garage at all times by trades people working at the property or by materials being delivered to the rear of the property. My garage is in constant use 24 hours a day because parking in my road has become almost impossible.

Kind regards
