PROPOSED DEVELOPMENT Removal of public payphone.

LOCATION Telephone Call Box
Junction Of Albion Terrace And Russell Road
Gravesend
Kent

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **AN OBJECTION**, and the grounds for that objection are:-

1. The public payphone is located in an area where there is risk of flooding and suicide. The public payphone has had a substantial amount of usage over the past 12 months and there are no other public payphone facilities within at least a 400m walking distance. It is considered that there is a clear and evidenced need for the retention of the public payphone, for which without it there would be significant social and practical hardship. Gravesham Borough Council object to the removal of this public payphone.
