Reasons for comment:	
Comments:	This is a residential area and these pitches are rented to clubs running late into the night with flood lights and high noise levels of cheering swearing etc late into the night on week nights and weekends. I am severely opposed to this and object to the plans. Homeowners should be entitled to have a peaceful environment and not be subjected to this. It is very unfair on residents young children family's the elderly and those with health conditions. This is absolutely disgusting and I do not support it.

Kind regards
