Reasons for comment:	
Comments:	I completely oppose this application given that there is already an injunction order in place and there are already illegal caravans on the land. Action should be taken to remove these unlawful dwellings. There has already been significant impact on the public highway, they have decimated the surrounding area, destruction of mature trees and hedgerow has occurred in getting the caravan in situ. Rubbish on the lane has increased and in recent days a burnt out discarded caravan left in the lane.

Kind regards
