Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Fully against this especially after the amount of damage caused by chopping down trees. Where were the police or council when the mobile home was being transported to the site? The destruction caused only shows they have not a care in the world and think they are above any law. Will they be prosecuted? Absolute joke. Surely crimes have been committed and how this has ever got to planning makes my blood boil. Should be thrown out immediately

Kind regards
