| Comments:            | I strongly object to the proposed development/change in use of this land. The land has already had structures erected apparently, this is green belt land. The travelling community brings nothing positive to the area and is usually a detriment, no core values are shared and in general areas that house travellers see increased crime in the form of theft/flytipping and ASB. Once they pay general taxes and behave like the local community then maybe this can be reconsidered. |
