Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	They have destroyed trees to get a "mobile" home on the site already, which I believe is against an existing injunction. I'd like the council to put a permanent stop to planning applications on this site and to enforce removal of dwellings which are not there legally. If you look at the site from the railway foot bridge it is a mess, the land is treated as a dump and not cared for in any way. Please do not allow more destruction to happen to our village.

Kind regards
