| Comments:            | <p>This development should not be allowed - all previous planning applications for residential use have been refused, this land is not to be used for housing of any description</p> <p>This is a rural place, the people there have already caused harm to the trees that won't ever recover - it's disgusting what they have done.</p> <p>I understand that The High Court ruling is permanent, and any planning applications should be automatically rejected.</p> <p>The Council has the power to enforce this Order and remove all illegal dwellings immediately - you must act now</p> |
