Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I regularly travel down the lanes to walk my dog & am appalled at the state they have been left in, following the illegal 're homing' of the static caravan. The access to the site is limited to say the least & I can only imagine how much more difficult it will be to travel the lanes if this development is approved. It would be foolhardy of the council to approve this proposal.

Kind regards
