Reasons for comment:	
Comments:	<p>I am objecting to proposal 20250942.</p> <p>This land is agricultural and used as an equestrian facility. I feel it is important to keep it that way. In addition the diverse wildlife, including bats reported by previous users in the stables themselves needs to be protected. All of us at Bocoda Hill Farm have bats. We are suffering from a significant loss of habitat for much of our native wildlife and I find it unacceptable that we continue to do so without any thought.</p> <p>In addition to this any extra vehicles accessing the A227 increases the danger of pulling out onto the road. The excess speeding that happens on that stretch of road is lethal and unrestricted.</p>

Kind regards
