Reasons for comment:

Comments: I think this is an excellent use of the area.
The Basement Bakery has already brought people to the park, using the old bowling green and the surrounding area, which had become disused and in danger of neglect.
To change the pavilion into a cafe and have a seating area outside, would be a great community asset, increasing the use of the park and surrounding area. This would support a local business and bring new jobs.
Because of the Basement Bakery the area is becoming a community area, where families, dog walkers and people gather to chat and enjoy the space. Extending the Bakery into a cafe would increase community wellness and enjoyment of the facilities. Personally because of the Bakery I have started to use the park on a regular basis.

Kind regards
