Reasons for comment:

Comments: I strongly object to the planning application of a gypsy site at Nurstead Whitepost Lane. They have no respect for our countryside and the devastation they have caused to the trees woodland and land is criminal and heartbreaking. I'm of the understanding that you need permission to cut down trees/woodlands from Council/Forestry Commission and can face being prosecuted so have they been challenged on this? Also why haven't Council/Law enforcement been up there to stop the continuing ground work fencing & devastation going on before the plan's have been passed/rejected. Also the site being prepared is huge so it's not just going to be 3 units stated on planning application.

I also here from Sole St residents that there's a high court order on that land for no buildings/caravans allowed on that land. So this should have been stopped straight away. One law for one another law for others. You made my neighbour put in new plans just to change doors in his new extension and you let them get away with this!!

So I strongly object.

Regards

Kind regards
