I have the following comments on planning application number 20260207 :

I object to planning application 20260207 for the following reasons.

The proposed development is totally out of keeping with the existing structure of the village, linking S51e Street and Meopham to form an urban landscape.

The proposal uses green Belt agricultural land, when there are brownfield sites available in the borough.

The A227 is already heavily congested and impossible to cross at times. This proposal will increase traffic congestion, with all the attendant risks.

The existing infrastructure will not support this development.
