I have the following comments on planning application number 20260207 :

I object to the planning Application Ref 20260207 as the proposed development is very large compared to the existing village.

The proposal will join Meopham with the Street using Green Belt land that is now used for food production.

The local roads and the A227 are already over crowded and at times extremely congested.

The local G.P services are already at saturation point and cannot take new patients.
