Reasons for comment:

Comments:	Dear Sir or Madam , regarding the planning application REF 20251181 for 41 Harman Avenue , Gravesend ,Kent DA117RJ , to be turned into a children,s home , this seems like the same application that got rejected in 2023. There are a few reasons why this application should be refused here are a few . the parking facilities at number 41 is for one car , schools generate parking problems . Harman Avenue like Golf Links Avenue are a through roads making it potentially dangerous for children . 41 Harman Avenue is a 3/4 bedroom house , it would seem it was brought for business use only , prior to 31st May 2023it was run as a Airbnb causing problems with parking , in a 2 week period there were five BT transits vans parked on the road and grass verge outside and along the road , ive still got the photos , then came the first application for the children,s home thankfully that got rejected . 41 Harman needs to be kept as a normal house like all the others up the road and around this area , at present its not and certainly wont be if the application is granted . Regards [REDACTED]
