Dear Ms Harrison,

Meopham Windmill, Wrotham Road, Meopham, Gravesend, Kent DA13 0QA
comment on application 20230613: Listed Building Consent for the modifications to the existing sail (sweep) assembly to facilitate a hybrid arrangement of common and patent sweeps, with associated internal and external alterations.

The SPAB Mills Section is supportive of the proposed modifications to the existing sail (sweep) and the associated internal and external alterations. The installation of a pair of common sweep frames onto the mill will be much lighter than the patent sail frames. This will also help with reducing the stress on the cap frame timbers in particular for the small cap at Meopham Windmill.

Yours sincerely,

SPAB Mills Officer
