Address:	[REDACTED] sycamore close Gravesend

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	The objection to this application is due to the already concerning level of traffic within the area and inability to access our road freely in particular at school times and weekends. With two secondary schools, a rugby club and soon to be residential home this already appears to be an untenable amount of traffic which has left the streets littered, the green areas destroyed by cars mounting the pavement. This area of gravesend is often neglected and with our rising council tax the expectations are nothing more than we deserve as residents with young families. We never see anyone from the council clearing rubbish or maintaining the roads and it is left to the residents. Only last eek did the residents receive a letter from the rugby club saying the roads will be blocked due to an event and they will be letting people in to Elderslie. It appears this application should be objected until certain already existing problems are addressed.
