Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the building of the additional houses on the north lawn. I value my privacy and for three storey houses to be erected would invade on this privacy. I do not want people looking into [REDACTED] garden and house. One of the reasons I bought my house was the idyllic views to the rear. This will now be destroyed if plans are agreed. I know my neighbours also object to the planning application. If upkeep is now too expensive then why not make the lawn into a wild meadow so will no longer require upkeep. This seems to be a money grab attempt. Additionally there are multiple species of birds, slow worms, foxes, mice etc who make their home in that grounds and i object to their habitats being destroyed. Additionally the continued work would create more noise. With work on premises ongoing there is not a moment of peace in the garden for the children to enjoy playing outside.

Kind regards
