Comments Details

Commenter Type:	Councillor
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Impact on parking spaces which are already at a premium. Up to eight members of staff requiring parking space will further reduce the number of spaces for existing residents. The coming and going of staff, visitors and the volume of residents can cause noise and disruption and loss of privacy to the existing residents. Detrimental changes to the character of the residential street by turning what should be a family home into a commercial enterprise. Increase potential of anti-social behaviour for existing residents.

Kind regards
