Analysis

Under Class A.1 (g) of the Town and Country Planning (General Permitted Development) (GDPO) (England) Order 2015, as amended, a single family dwelling can extend beyond the rear wall by 8 metres in the case of a detached property, as long as it does not exceed 4 metres in height.

As set out in the GDPO, Class A.4 (2), the developer has provided sufficient information to support the application; application form, site location plan and additional plans.

The information provided show the proposed single storey rear extension is within the parameters set out in the GPDO; 6 metres deep, a maximum height of 3.5 metres, with an eave height of 2.9 metres.

The adjoining properties were consulted in accordance with A.4 (5) and no representations were received. Therefore A.4 (7) has not been triggered and impact on neighbouring amenity does not require investigation.

It is considered that the details and documents provided with the application are sufficient and no further information is required under A.4 (8) to determine the proposed development.

Conclusion & Recommendation

The proposed development complies with **THE TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT) (ENGLAND) ORDER 2015, AS AMENDED**, and it is considered **PRIOR APPROVAL IS NOT REQUIRED**, subject to the imposition of informatives relating to the extent of this prior approval, the development to accord with the information provided, the time limit for completion, notification of completion and requirement to comply with Building Regulations and Party Wall Act.
