Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	<p>I'm really pleased to see this application come forward and fully support it. There's such a need for proper family homes in this part of Gravesham, and at the moment there just isn't much choice for local people.</p> <p>This site is perfect - it's near shops, schools, and everything families need day to day. I'd love to know how local people can get the chance to buy one of the affordable homes if they're included.</p> <p>I think this development would bring a real boost to the community and local businesses. It feels like exactly the kind of project we need here.</p>

Kind regards
