Reasons for comment:	
Comments:	<p>This site is not suitable for so many houses. The parade already struggles to cope with existing traffic and does Wrotham Road as it is single lane traffic only. The extra traffic will bring the road to a stand still, especially around school drop off times. Also, the services in the area are already overloaded such as schools and doctors. Already I struggle to get an appointment at my doctor's surgery.</p> <p>These obvious points make this site unsuitable for such a development. There are also other considerations such as environmental impact and aesthetics of the village. All things which should be protected.</p>

Kind regards
