Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support this application for a place of worship for many reasons. I believe the praying area, and in particular the parking facilities in the current two Mosques are insufficient to facilitate the number of Muslims in the Gravesend area. I also understand from the people running this place of worship that there will be a strong effort to integrate and include non Muslims in events etc.

Kind regards
