Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to the above planning application. The proposed garage will be almost as high as the height of the house due to the difference in the elevation of the ground levels. The house is set down, whereas the land where the garage is to be built is much higher. We would have a large wall on the opposite side of a narrow lane, obscuring all of our views and changing the character of the lane.

Kind regards
