Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	As local residents of telegraph hill, we support the proposed improvements and alterations at 23 Telegraph Hill. The proposal represents a high quality modernisation of the property and is consistent with the evolving character of the area where a variety of house styles and extensions already exist. We believe this proposal to be a positive and is harmless to the surrounding area or neighbouring properties. Kind regards [REDACTED]
