i. Suitable sound attenuation shall be used at all times in respect of all plant, machinery and equipment in operation on site in order to aid prevention of noise nuisance. Compliance with BS 5228: Part 1: 1984 and subsequent amendments regarding the use of equipment on site will be required in appropriate cases.

ii. A suitable method of control shall be used in order to aid prevention of dust nuisance arising from work activities on site.

- iii. Burning of waste materials shall not be carried out on site. Such materials are to be stored in a suitable receptacle, as far from residential accommodation as reasonably practicable, pending disposal off site.
- iv. Adequate arrangements shall be made to remove all waste material from the site on a regular basis and to dispose of it at a suitably licensed waste disposal site.

2 DECISION PLANS

For the avoidance of doubt, the forms, plans and documents upon which this decision is made comprise:

- Application Form
- Drawing No: BA-001 REV P02 (Site Location Map and Block Plan)
- Drawing No: BA-003-LC REV P01 (Proposed Plans and Elevations)
- Drawing No: BA-002 (Existing Plans and Elevations).

3 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

NOTES

This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).

It certifies that the use, operation or matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful, on the specified date and, thus, was would not have been liable to enforcement action under Section 172 of the 1990 Act on that date.

This certificate applies only to the use, operation or matter described in the First Schedule and identified on the attached plan. Any use, operation or matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

The effect of the certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use, operation or matter is only conclusively presumed where there has been no material change, before the use is instituted or the operation begun, in any of the other matters relevant to determining such lawfulness.
